

Corned Beef

Ingredients

- Water
- 8 lbs. corned beef
- 1 Cabbage, cut into quarters
- Seasoning packet included with meat

Directions:

1. Simply add the corned beef and seasoning packet into the Pressure Pro. Fill with water to cover the beef.
2. Push the **99 IT!** button.
3. Once the corned beef is done, let the pressure release and then add the cabbage. Cook to taste.
