

# Whole Chicken

## Ingredients

- 1 whole chicken, 4 - 7 lbs
- Seasoning salt
- Orange zest
- 1 orange, cut into slices
- 1 cup chicken stock (or white wine)

## Directions:

1. Liberally rub chicken with seasoning salt and place chicken in the Pressure Pro breast up.
2. Pour cup of liquid (chicken stock or wine) onto the chicken.  
**TIP: You may choose to stuff the chicken. If using rice, ensure that rice is fully prepared before stuffing.**
3. Sprinkle orange zest over chicken and add orange slices.
4. Close lid and set the **PRESSURE VALVE** to **SEAL**. Press the button labeled **CHICKEN**, and set the taste button to **WELL**.
5. When finished, carefully release pressure by turning Pressure Valve to **VENT**.
